A Short Term Rental shall not be considered as a hotel, extended stay hotel, motel, corporate apartment, or bed and breakfast, as defined in this Chapter.

(a) Short Term Rentals are divided into two (2) types:

(1) Short Term Rental (Type 1). A Short Term Rental (Type 1) is a residential dwelling unit, or a portion thereof, which is either occupied by the owner, as reflected in title records, or an operator as reflected in a valid lease agreement, and with the express permission of the property owner. The owner or operator shall make his or her legal residence on the same property, as evidenced by homestead exemption, voter registration, vehicle registration, or similar means.

   i. On residential properties which are not multi-family buildings (e.g., duplex, four-plex), a single individual unit, which is not owner occupied, but which is located on the same land parcel as an owner-occupied unit of common ownership as the non-owner occupied units shall be considered a (Type 1) short term rental unit. Additional non-owner occupied units in excess of this allowance on the same land parcel shall be considered (Type 2) short term rental units.

   ii. In a multi-family building, a single individual unit, which is not owner occupied, but which is located on the same land parcel as an owner-occupied unit of common ownership as the non-owner occupied units shall be considered a (Type 1) short term rental unit. Additional non-owner occupied units in excess of this allowance on the same land parcel shall be considered (Type 2) short term rental units and shall be subject to the density limitations in Table 374.01-1.

(2) Short Term Rental (Type 2). A Short Term Rental (Type 2) is a residential dwelling unit, or a portion thereof, which is either not occupied by the owner or operator, or the owner or operator does not occupy another dwelling unit, or portion thereof, on the same property, as reflected in title records.
(b) Limitations on other activities at Short Term Rentals. The following activities or uses may not occur as part of the operation of a Short Term Rental, either (Type 1) or (Type 2):

(1) The Operator shall not provide prepared food or beverage, directly or indirectly (e.g., using caterer), for consumption for a fee. This subsection shall not prohibit an Operator from providing prepackaged food or beverages either as a gift or for a fee.

(2) Short term rentals in residential zoning districts shall not include venues for weddings, events, restaurants, meeting halls, or any other uses otherwise described in the Tables of Permitted Uses (Table 311-1 and Table 311-2) either as an accessory use or a primary use.

(c) Density Limitations for Short Term Rentals (Type 2) in Residential Areas. In order to preserve the essential character of residential areas, the following density limitations are established:

(1) Short Term Rentals (Type 2) shall be limited to no more than one-eighth (12.5 per cent) of the total number of single-family, duplex, triplex, or quadruplex units on the block face, as defined in Appendix A of this Chapter, in residential zoning districts. At least one (Type 2) short term rental shall be permitted per block face, regardless of density. Authorized Bed and Breakfast establishments shall be considered in the calculation of these density requirements.

(2) Short Term Rentals (Type 2) within multi-family (e.g., 5 or more units) buildings or groups of buildings on the same land, lot or parcel, regardless of zoning district, shall be limited to the density requirements in Table 374.01-1. Authorized Bed and Breakfast establishments shall be considered in the calculation of these density requirements.
