

Short Term Rental (STR) Online Hotel Occupancy Taxes (HOT) and Permit System

Quick Reference Guide

The new online system provides the Applicant the ability to register for a [STR Permit and be issued a HOT Taxpayer Number](#) provided that the STR is within City Limits.

Once the HOT Taxpayer Number is established, the Avenu online system also provides the applicant the ability to pay for monthly HOT taxes.

IMPORTANT: A unique HOT Taxpayer Number and Permit is required for each unit within the property.

Once the STR Application has been submitted through Accela, the Applicant will have the ability to monitor the progress of their request and provide additional documentation that may be needed for the City to complete their request through their online portal account.
